

## Erasmus+

### Mid-term Meeting in Prague

In late June 2019, ForHeal partners met in Prague for a midterm meeting. Among other things, administration and management of the project of the project were discussed. Activities were planned for the remainder of the project and dissemination and exploitation of project results was discussed. Then the partners were divided into HEI pairs and worked on issues specific for each HEI pair. Overall, the midterm meeting benefited the partners in terms of output and management quality, many issues stemming from inconsistent information were resolved, which will enable the partners to work and communicate more efficiently.

### Cluster Meeting Of Lao Partner Institutions

On 23 October 2019, ForHeal project team participated in the cluster meeting of Lao partner institutions on Erasmus+ Capacity Building in Higher Education in Vientiane at EU delegation to the Lao PDR premises.

### Sustainable Management and Marketing of Non-Timber Forest Products Intensive Course

As part of Erasmus+ FORHEAL, University of Freiburg (Germany) and Souphanouvong University (Laos) aorganized an intensive course on "Sustainable Management and Marketing of Non-Timber Forest Products" from 9-13 December, 2019 in Luang Prabang, Laos. 15 course participants joined in this training from our partner institutions in Laos. The main course teachers are Prof. Dr. Dietrich Schmidt-Vogt; Dr. Roderich von Detten from University of Freiburg. The training consists of lectures, field work and group work presentation. FOHEAL project is co-funded by the Erasmus+ Programme of the European Union.
